Bryant Bickmore has been in the construction industry for over twenty years. For the past seven years, Bryant has worked as General Manager for Seal-Co., Inc., a subcontractor specializing in firestopping, waterproofing and joints sealants. Seal-Co., Inc. is an FM 4991 Approved Firestop Contractor. Bryant has been the firm's DRI since 2011. During his tenure with Seal-Co, he has served various roles, such as Project Manager / Estimator, Operations Manager and now Vice President and General Manger.

He has been an active member in the Firestop Contractors International Association since 2008 and is currently serving on the FCIA Marketing Committee. He feels his past experiences will help promote the future of FCIA and gain new knowledge both personally and professionally. He is interested in getting more involved with FCIA on a board level, helping to grow the organization.

Bryant graduated from the University of Washington with a Bachelors of Science degree in 2002. He and his wife have two daughters, age ten and six. In his spare time, he enjoys traveling, fly fishing, mountain biking and especially golfing with his daughters. He has lived in Rio Rancho, New Mexico, a suburb of Albuquerque for the past nine years.
