

FCIA BOARD OF DIRECTORS PROFILE

Mark Dietz, Superl, Inc.
7301 Apollo Court, Lino Lakes, Minnesota
Phone: 763-571-7464; Email: mark@superl.net

Mark holds an Associate of Arts, Architectural Drafting and Estimating, from Dunwoody Institute, Minneapolis, Minnesota and graduated in November, 1991.

Since 2007, Mark has been the President/Owner of Superl, Inc., and had been Vice Present from 1997-2007. Before that, Mark served as Project Manager from 1991-2007.

His vast experience at Superl has included firestopping for commercial, industrial, healthcare and educational facilities.

Superl, Inc. is an FM 4991 Approved Contractor, a UL Qualified Firestop Contractor and a Specialty Firestop Contractor for multiple manufacturers. They have worked with Thermafiber towards developing numerous tested curtain wall fire containment systems. Superl, Inc. is a FCIA Charter Member, joining in 1999.

Superl has been a leader in the curtain wall and firestopping industry for over 29 years. Superl has worked on projects in 36 states, as well as projects in Asia, covering all manner of jobs - from small specialty projects to high-rise structures.

Mark has been married to Jennifer for 27 years and they have two sons, Parker, 18, and Tanner, 16. He enjoys fishing and traveling with his family. He has coached his sons' basketball teams for ten years.
