Orlando Wetlands Park

The Orlando Wetlands Park is the World's first large-scale, man-made wetland created to filter pollutants from reclaimed water. A dazzling array of plants and wildlife, peacefully co-existing together, creating a “mini-everglades.” It's great to place to come out, relax and enjoy nature. The most popular activities are bird-watching, nature photography, jogging and bicycling. Nature enthusiasts will be greeted by 1,650 acres of hardwood hammocks, marshes and lakes. There are over 20 miles of roads and woodland trails crisscrossing the Park.

Gatorland is a 110-acre theme park and wildlife preserve, combining “Old Florida” charm with exciting, new exhibits and entertainment. The park opened as a roadside attraction in 1949. Today, it provides affordable family fun with thousands of alligators, crocodiles, a children’s water park, aviary, breeding marsh with observation tower, petting zoo, nature walk, educational wildlife programs, gift shop, Florida's best train-ride, restaurant, and much more. One-of-A-Kind reptilian shows include: the Gator Wrestlin’ Show, Gator Jumparoo, Jungle Crocs of the World and the Up-close Encounters Show.
